OUTDOOR LIVING

OUR BUSINESS HAS
BUILT A REPUTATION
FOR PROVIDING
THE BEST CHOICES
FOR STRONG AND
DURABLE PRODUCTS,
OUTSTANDING
VALUE AND
UNCOMPROMISING
CUSTOMER SERVICE.

Our products are proudly made in the USA with an exclusive, engineer-tested manufacturing process that uses the highest grade materials to yield enduring beauty, lasting stability and performance.

Our products are crafted to handle extremes in temperature and withstand high winds. Our fencing assembly system is pre-routed and notched, requiring no screws or brackets for easy installation and added stability. We stand behind everything we make, and we'll be here for you before, during and after your purchase with our Limited Non-Prorated Warranty and lifetime implementation support.

Fencing

Set it and forget it: Low maintenance, high impact vinyl fencing.

Select from a complete line of vinyl fencing, ranging from privacy, pool and picket fences to horse fences and railing systems, in a wide array of styles, sizes and colors. And, you'll find all of the accessories and additions you need to truly customize your vinyl fencing look and versatility. Made from 100% virgin vinyl with the most advanced materials available, our fencing is 20-50% stronger than the competition. It's impervious to water and humidity and offers the industry's best UV protection. It's virtually maintenance free and won't chip, rot or crack.

Pool Fencing

Surround your patio, pool or lawn with one of our eye-catching fencing systems. These attractive designs add a sense of style to any landscape. While perfect around pools, our pool fencing also looks great in any area of your yard. Our vinyl finish features an exclusive manufacturing process that resists water, humidity and many chemicals. Our pool style gates include self-closing hinges and a lockable two-way latch. An optional pool safety latch — the Magna latch — is also available. The bottom rail is reinforced with aluminum for added strength and durability.

A beautiful finish that always looks new and resists water and humidity.

The Barclay™

Vinyl Horse Fencing

Set it and forget it. Low maintenance, high impact vinyl horse fencing.

Our horse fencing provides a physical barrier that is visible and safe for horses. It defines property boundaries, adds value to your estate, is low maintenance and is 20% stronger in impact resistance which is better for horses. Choose from elegant styles and get durable vinyl technology with best-in-class customer service.

Picket Fencing

Our classic picket fences can dramatically change the look of your yard adding beauty and warmth to the landscape. From simple straight-top to decorative scalloped-top looks, you'll find a wide selection of styles to suit your tastes. And, our "neighbor-friendly" fences are designed to look the same on both sides. No matter which picket fencing style you select, you're assured years of durable performance and maintenance-free satisfaction. The bottom rail is reinforced with aluminum for added strength and durability.

A simple solution that adds ornamental style to your landscape.

Gates

Blending optimal function and long-term performance.

You'll find matching gates for all of our fences that are designed and crafted with function and long-term performance in mind. We use the best gate hardware in the industry, made by D&D Technologies. Manufactured with rust-free, high-tech engineered polymer and stainless steel components, our gate locks, latches and hinges have a limited lifetime warranty. The hinges and latches can be adjusted after the gate is installed which eliminates costly gate repairs.

Our optional aluminum gate post inserts add extra strength and stability to your gate to ensure years of uninterrupted gate operation.

Aluminum Fencing

Our ornamental aluminum fencing brings the traditional look of wrought-iron fence to enhance the beauty of your outdoor space. Its rails have 20% more aluminum than other manufacturers and its finish has twice the thickness and hardness of typical acrylic or other paints. Choose from our most popular styles (below) which are available for quick ship. Or, we also carry many more styles in a variety of colors and heights to customize the best look for your property.

The Shelby™

Height: 4' (more available)
Picket Style: 5/8" Square

Accessories

Customize and find your unique style.

We offer a wide variety of accessories to make it easy to customize to your unique style. From brackets and post mounts, to columns and picket caps; you will find everything needed to install and accessorize your vinyl or aluminum fencing or railing. We also carry the full line of gate hardware by D&D Technologies, the highest quality brand in the industry.

Post-Caps

Enhance your look with architectural detailing and lighting.

Our fences and railings may look beautiful, but it's the stylish designs and wide variety of vinyl and aluminum post caps that give you the detail to make your outdoor space really stand out. We carry traditional styles like the Gothic and Federation, solar caps like the Classic and Prestige, low voltage LED caps, wall or wedge lights, and much more.

Secondary (ADA) Railing

ADA applications. No problem.

Find what you need to satisfy your secondary handrail project that requires a continuous 1-piece handrail for ADA applications. Our 1.5" secondary vinyl handrail has an aluminum insert for strength on the inside, and vinyl on the outside. Our line can also be used "stand alone", attached to wall or posts without any type of railing. As with all our vinyl products, rest assured you will see the highest integrity fabrication and aesthetics.

Outdoor Living Products

Live more. Stress less: Pergolas, gazebos and more.

All of our outdoor living products are designed and crafted to provide stylish, durable and maintenance-free performance that will enhance your outdoor living experience for years to come. Our pergolas/patio covers and gazebos are made from 100% virgin vinyl with the most advanced materials available for impact stabilization. They are impervious to water and humidity, and offer the industry's best UV protection. Virtually maintenance-free, our outdoor living products won't chip, rot or crack.

Pergolas/Patio Covers

Outdoor living with style and versatility.

Add style and function to your patio and yard with our wide array of handsome and durable freestanding and attached vinyl pergolas. The strongest in the industry, they have been exclusively engineered and manufactured for beauty, durability and performance. Our pergolas/patio covers can be installed to withstand winds of up to 170 MPH and are certified to meet the Florida Building Code minimum design loads for buildings and other structures.

Gazebos

A fashionable and functional focal point.

Our vinyl gazebos offer a dramatic flourish to your outdoor landscape and complement your vision for outdoor living that expresses your lifestyle. The strongest in the industry, they have been exclusively engineered and manufactured for beauty, durability and performance. Our gazebos can be installed to withstand winds of up to 140 MPH and are certified to meet the Florida Building Code minimum design loads for buildings and other structures.
